Mt. St. Helens Windy Ridge Tour by Wendy Forcier

The Mt. St. Helens Windy Ridge Tour has always been a traditional favorite of CdeO. For many years we have looked forward to this trip and all it offers.

This year we started at QFC in South Lacey and headed out at 0800. T

To summarize the day, in our morning huddle we talked about driving to Windy Ridge for a picnic lunch via Gifford Pinchot National Forest then continue further into Gifford Nation Forest and double back to avoid the freeway home.

This was definitely not a drive to have a big breakfast before-hand.

We headed out of Lacey and headed into Yelm via Highway 510. Next it was highway 507 into Mckenna for highway 702 for 9 miles to highway 7 only to reach our favorite bathroom stop in Elbe. Where we get the usual camera shots from onlookers and customer service from the world's biggest out house.

We left Elbe and continued onto highway 7 for Randle. Here some of us purchased National Park passes at the Tatoosh Food Market, and of course another bathroom break. When we left Randle we headed for Windy Ridge by heading south on WA-131. Then the excitement began to heighten as we headed onto NFD 25, then onto NF99. We started some real white knuckle driving, but not before the seatbelt check, tire pressure check, doors locked good and tight and tops down. There was no taking your eyes off the road. Another challenge came to those with the cameras trying to capture it all in a photo.

President's Message

Despite the heat, July was a fine month for CdeO. We participated in two parades and enjoyed a scrumptious barbeque at Jim and Karen's. Five CdeO cars competed in the Puget Sound Corvette Club Show 'n Shine and every one of our members placed 1st, 2nd or 3rd. And I write this the day before we drive to Windy Ridge, one of our favorite tours!

August has just as much to offer. In recent years we've put touring on hold as we prepared for Vette Fest, but not this year. With suggestions from multiple club members, Denny has designed two new August tours – Oregon Tail of the Dragon and a "Mystery Tour."

Vette Fest is our chance to show the Corvette community and our sister clubs a good time, and have fun ourselves. Our all-Corvette car show at our sponsor, Titus-Will, comes with a barbeque, remote-controlled Corvette racing, and the Sweet Wheels ice-cream truck with amazing treats. If you have not signed up to volunteer and you want to join in the fun, please let Don or Arthur know you'd like to help. There's a place for everyone.

Save the Wave,

Anne

Mt. St. Helens Windy Ridge Tour by Wendy Forcier cont.

Once we reached the top Anne, Priscilla, and Wendy decided to take it upon themselves to create another challenge and climb the stairs to what looked felt like a journey to the top of the world.

While others started for a nice picnic lunch on the bleachers.

Mt. St. Helens Windy Ridge Tour by Wendy Forcier cont.

Then we were blessed with some fine lunch time entertainment.

Next, it was time for a cowbell and a huddle to discuss the safety of the drive back down the hill, due to the nature of having to be on the side of the road with the cliffs and dips in the road.

Mt. St. Helens Windy Ridge Tour by Wendy Forcier cont.

We doubled back down the mountain side cliffs and dips and all on NF 99 Road then turned back onto NFD-25 for some more watching real close. And did I mention a lot of signs that looked like these.

We took another break, this time at Pine Creek Info Center for some interesting reading. Then we headed for Randle again doubling back on NFD-25. WOW!

Once in Randle it was time for another much deserved break. Then headed to Elbe via WA 12 to Morton and back onto WA 7 to Elbe. It was time to drive and reflect while catching a breath at another break at the infamous Elbe bathrooms.

After we left Elbe we headed back to Yelm the same way we went out on highway 507. Yelm was the end of the road for the tour but some of us stopped in Dairy Queen on Yelm Ave. for a quick ice cream cone.

All in All.... I certainly can't wait till next year for this trip again.

2015 Operation Backpack

Wednesday August 12 – 5:30 pm

Over a decade ago, Cdeo decided to donate backpacks stuffed with school supplies to the North Thurston School District. Randy Harris nicknamed our gig “Operation Backpack” and the name is now used county-wide.

Participation is easy:

Bring backpacks stuffed with school supplies, or even just bags of school supplies to the Hawk’s Prairie Restaurant at 5:30 pm on August 12, right before our general membership meeting. We will line up our donations for a photo-opportunity in front of our cars, and the superintendent will say a few words.

If you can’t make it at 5:30, you can call another member and give them your donation.

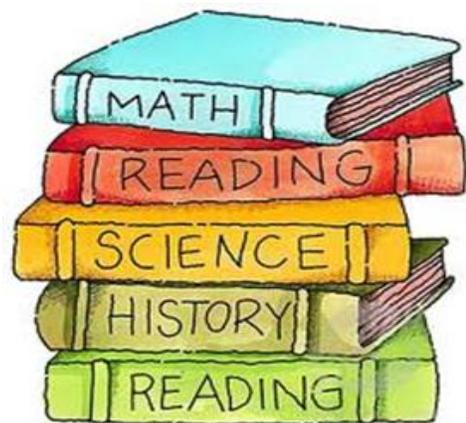

These links to the North Thurston School District tell more about the program and suggestions for supplies to donate.

This page includes a picture of CdeO lined up with our backpacks:

LakeFair Parade and Picnic at James and Karen Robinson's Home

In the morning huddle, Denny says we'll drive down the road this way...but instead, Carla finds the Village people and says "No we'll 'Dance in the Street'".

Now the party has started at Jim and Karen's house....

Looks like the party was inside...

and outside.

Even had some hiding in the closet.

LakeFair Parade and Picnic at James and Karen Robinson's Home cont.

There was fun for the whole family.

Thank You Jim and Karen Robinson for opening up your home once again to CdeO!!!!

Though performane declined, sales went on to set new records.

There is actually one of these driving around in Yelm these days and this color.
