CdeO Does the Corvette and High Performance Swap Meet by Anne

As most of you know, Larry and Karen Johnson from our club put on an annual Corvette and High Performance Swap Meet at the fairgrounds in Puyallup.

This year, Don Patnoe took advantage of Larry and Karen's standing offer of a free booth to promote Vette Fest and CdeO membership.

Here is a picture of Larry and Karen with Frank Zangar.

Don marshalled help from the club.

The picture below shows Don, Tom Oenning and Mark Twardzicki working at our booth. The display included two wonderful photo collages of CdeO in action designed by Carla Green. Doesn't our booth look great?

Fred Millstead, Frank Zangar, Anne Wax and Marilyn Trogden also helped out. We met prospective members and VetteFest attendees, visited with members of the other Puget Sound clubs, and took breaks to see the vendors and exhibits.

Several club members stopped by our booth by including Jon Cox, Bill Barsanti, and Meagan and Michaela Renick. John Thompson was also at the show to sell his certified Sunbeam Tiger and his 3 novels. Novel number 4 will be published soon.

Here is Michaela Renick inviting us to her Gim-mick Rally on May 3rd

There were some beautiful Corvettes displayed, my favorite being the black Z06 Stingray shown below.

We did our club proud with our very fine display and our friendly club members. I am glad we attended and think we should do so again next year.

President's Message

Oh my gosh –

Car and Driver reported they have proof Chevrolet will put out a mid-engine Corvette. Here is their artist's rendering.

What fun!

I am glad I am involved with Corvettes de Olympia and that Corvettes de Olympia supports that involvement.

Tacoma Corvette Club Open House

TCC will hold their annual Open House this Saturday, February 14th. A caravan will leave from Hawk's Prairie Restaurant parking lot at 10:45 a.m. Hope to see you there!

Jim and Karen attended TCC's Open House last year, and wrote a great article. Please read on to hear how much fun everyone had at this event last year:

TCC Open House 2014 by Jim and Karen Robinson:

How do you get people to drive their beloved Corvette to an event in the worst rain storm of the year? You prepare a feast fit for a king! That's what the Tacoma Corvette Club did at the 9th annual open house event held at Corvettes of Auburn.

Dan cleared the work bays, set tables up and the club served BBQ brisket, ribs, roast beef and too many delicious sides and deserts to mention. Did anyone notice the size of that Caesar salad! Only 6 of us from Corvettes de Olympia braved the weather to attend this year's gathering of clubs; Anne with Marilyn (navigator), Carolyn, Arthur and us, Jim and Karen.

When Anne asked us to write a little something for the newsletter we sat down to list all the things that made this event so special. Yes the food was exceptional and, the people attending all seemed to enjoy the atmosphere, the garage itself is remarkable, complete with a dyno, it's a first

After lunch, the host, Dan, invited a spokesperson from each club to come forward and tell about their events, and if applicable, the charity that would benefit from their efforts. Yes, we can all read the flyers but it was so much more meaningful when someone stands up to announce, with enthusiasm and pride, how hard they are working to make their year's events the best yet. Anne and Arthur represented CdeO very well as always.

There were tickets being sold for a drawing to be held with proceeds to benefit the Bowling Green Museum. The winner will own a New C-7 Corvette.

If you have never attended this Open house, I suggest you give it a try. We left with a hand full of flyers and wishing we had time to do them all. So much to do and so little time! Oh, did I mention we got to see our first C-7 what a beautiful car

Check Out the 2014 Highlights and See Flyer on next page for 2015 details to attend the next Tacoma Corvette Club Open House Memory Making

- Lots of usual tours
- May go on tour of Warm Springs and Crater Lake in Oregon.
- May also do something cool in September and October since it was nice this year this fall.
- Tried to not have tours when we have autocrosses, but did have one overlap.
- Josette asked how many are interested in St. Patrick's Day – Blue Slough tour -- there was enough interest. J Blue Slough!
- Randy is going to design a drive!

Where we've been:

Holiday Parade: We drove Derik Nelson of Glee along with his brother and sister. It was a bright and cold day - a great fun event.

End of Year Celebration: 41 people came to our party - check out the newsletter for a great article on this.

Coming Up:

- **Corvette and High Performance Swap meet** – We have a booth – great opportunity to recruit new members and publicize the club and Vette fest. The meet starts at 10 am, and we need 2 people to help guide people in the morning. Will need a total of 6 volunteers, 2 hour shifts, to man the booth. A group will caravan up and possibly have breakfast – Don will send out details. Sign up on the sheet, or on the website.
- **Tacoma Corvette Club (TCC) Open House on Valentine's Day** – the best BBQ, amazing food at this event. Anne will lead a caravan. They have a really nice raffle. NWACC Rules Changes

The club voted on three new policy change proposals for autocross. Please see the new NWACC website for full details on each proposal.

- Change 1: updates to tread and acceptable tires. Club voted yes for this change.
- Change 2: Moving 2009 zR1 into new SS plus class, because the performance of this car is higher than others in the class. Club voted yes for this change
- Change 3: Car Numbers. Historically, suggest side signs for number for easier judging. This would require that standard, with a sign of a specific size and include the class. However, some folks use the same car for novice and other classes (multiple drivers). Makes is difficult logistically – have to switch out between runs, rain makes it hard sometimes to use stickies. Doesn't give time for folks to do other configuration between runs, such as tires. Club voted no for this change.

Barnes and Noble Fund Raiser

Don expressed his thanks to everyone who wrapped gifts at Barnes and Noble. The club raised \$146 dollars for the scholarship fund. Next year, we will wrap on two days. Many others volunteer for next year. We will announce the dates earlier next year!

Raffle (Will Trogden)

Duster, detailer, and tire dressing applicator. Two Vettefest t-shirts available -

And the Winners Are:

Oops. We missed who won the prizes.

50/50 – 18 in the kitty was won by Don and Cynthia, who will bring the raffle prize next month.

Meeting Adjourned

NWACC Invitation By Arthur Green

Kevin Jewell of NWACC wrote the following invitation to the autocross school and events. I am forwarding this to our members. Come join the fun!

Last year, most of you attended the NWACC autocross school in June. We would like to invite you to join us at any or all of the 2015 events to use your new-found vehicle handling skills. You can always get updated information and registration forms from the web site: www.nwacconline.com.

For your calendar planning, we expect the following for NWACC autocross dates:

- May 16 Autocross School in Shelton
- May 17
- June 14
- July 12
- Aug 9
- Sept 13

Other than the school, the other dates are our points (competition) autocross dates. All are in Shelton. There might not be an autocross in Portland this year. Apparently, PIR has increased the rental rates 40%. We should have formal confirmation at the February NWACC board meeting, but for now you could assume that there will not be a Portland event. Hope to see you at the autocross series this year.

Regards,

Kevin Jewell

Astronauts with their Corvettes

• A long relationship exists between NASA's astronauts and the Chevy Corvette. In 1960, Jim Rathmann – owner of the nearby Chevrolet dealership and winner of the Indianapolis 500, convinced General Motors to give the Mercury 7 astronauts brand new Corvettes for publicity and advertising benefits. Alan Shepard and Gus Grissom were known for racing their Corvettes on Florida's Space Coast highways near Cape Canaveral. Space-race pilot Chuck Yeager drove the Corvette pace car for the 1986 Indianapolis 500.
